Here at BCRP we look forward to engaging you and your family during the summer months. Our campers exercise their minds and bodies through reading, the arts, swimming and sports. Our summer programs provide a variety of options that are both fun and affordable.

See you outside!

email: parkpermits@baltimorecity.gov

OFFICE HOURS:
Monday–Wednesday and Friday from 9AM to 4PM.
(Closed on Thursdays to public to process applications.)

WHY DO I NEED A PERMIT?
Baltimore City Parks are open and available to the public for general use. If you wish to use a specific area of a park for an event (such as a field, picnic area or pavilion, special event, etc.) it is necessary to obtain a park use permit to guarantee that the location is available.

WHAT ARE THE FEES FOR?
Fees support both general maintenance of the park and maintenance after your event takes place.

WHEN SHOULD I APPLY FOR MY PERMIT?
Permits are issued on a first come, first served basis throughout each calendar year. Book early in January as many pavilions and picnic areas are booked for summer months by February. Special Event permits can be submitted one year out from the calendar date.

WHEN DO I NEED INSURANCE?
Insurance is required for any private event that will have amusement rides (kiddie rides, moonbounces, etc.), events such as walk-a-thons, bike rides or foot races, athletic use permits and for all events open to the public. This is to insure that both the organization sponsoring the event and Baltimore City is not held liable for any injuries incurred by an event-goer. You can purchase single day insurance policies for your event.

WHAT TYPE OF PERMIT DO I NEED?
Each of the park permit applications contains information that will help you plan your event. By familiarizing yourself with these permits, it will help you to run a smooth event.
