The Gardens

Located at Cylburn Arboretum & the Howard P. Rawlings Conservatory
Capacity: 100 guests

Both Cylburn Arboretum and the Howard P. Rawlings Conservatory offer beautiful outdoor gardens to host your wedding ceremony or tented reception. Our staff and dedicated volunteers manage and care for over 20 curated gardens and 200+ acres of flowering plants and woodlands offering gorgeous backdrops and views throughout the year. What’s in bloom? Early Spring showcases flowering trees such as redbuds, cherries, and magnolias as well as tulips and daffodils. Summer is when the formal gardens and annual beds are in full bloom. There is a great collection of Crepe Myrtles with their pretty pink blooms. Fall brings with it a spectacle of color as the Japanese Maples turns from green to bright oranges, deep plums, and shades of red. In Winter, plants begin to hibernate showing off their impressive bark and more textural views of the gardens. All facilities are wheelchair accessible.

The historic Cylburn Mansion is original to the property, built in 1863 by Quaker local, Jesse Tyson. Victorian Renaissance Revival in design, the mansion was built of gneiss quarried locally and was noted for its inlaid floors, marble baths, leaded glass, plasterwork, tall windows and wide porches. Formal gardens and lawns, with trees planted by Jesse and Edith Tyson themselves, are surrounded by natural woodlands filled with wildflowers, wildlife, native and migrating birds. Today, the Mansion hosts private events such as business meetings, baby and bridal showers, intimate ceremonies, and photo shoots on the first floor. Frequently, clients renting the Vollmer Center or garden areas for weddings will add on rental time at the Mansion to be used as a bridal suite, for photographs, or cocktails on the porch. Cylburn Arboretum

Howard P. Rawlings Conservatory
- Indoor Facilities, Thursday-Sunday, 10-3PM
- Outdoor Facilities, Wednesday-Sunday, 10-4PM

Decorating Guidelines:
- All decor must be set-up and removed during the rental period.
- Taping, pinning, tacking, nailing, and gluing are not permitted indoors or outdoors (this includes 3M products and gaffer tape). Magnets, suction cup hangers, string or wire work well. The gallery-style hanging system in the Vollmer Center may also be used.
- Tables & Chairs: All tabletop decor must be freestanding. You may tie decorations to chairs. Indoor furniture is not permitted for outdoor use. Outdoor furniture must be rented from a third party vendor.
- Indoor Flames: Candles are permitted however they must be in an enclosed vase with the flame at least 3” below the rim. Please be mindful of larger vase openings (ex., fishbowls for floating candles.) The lower and larger the top opening, the more likely items may be accidently dropped in.
- Outdoor flames are not permitted. This includes, but is not limited to, sparklers, fireworks, floating lanterns, grills, tiki torches, and paper luminaries.
- Extension Cords: We do not provide extension cords.
- Balloons, confetti, glitter, rice, streamers, and poppers are not permitted due to negative impacts on the environment as well as, State and Local ordinances. Consider dried flowers or flower petals, collected leaves, birdseed, noise makers, pompoms, glow sticks, or flags. Bubbles may be used outdoors in the grassy areas only.
- Fog and smoke machines, or color bombs, are not permitted indoors or outdoors.
- Flower Petals: silk petals may be used indoors; only fresh petals outdoors.
- Signs/Banners: Signs and banners may not be attached to any permanent signs, structures, trees, plants or placed in any garden beds. Temporary signs may be posted in the grass using stakes less than 2” wide, ’H’ stakes (Ex., real estate signage).
Lighting & Electricity in the Gardens:

Limited exterior lighting exists on the Venue grounds and is focused mainly on the buildings and parking areas. Additional lighting may be brought in from an outside vendor.

Exterior 20 amp power sources are available on the Venue grounds. At Cylburn, these can be found in the Formal Garden, West Lawn, and Mansion Porch. At the Rawlings, these can be found in the Formal Garden near the South Pavilion and in the Courtyard between the South Pavilion and Palm House. These are typically used for lighting or a small audio system.

Reception tents typically require a larger power source for items such as lighting, sound and cooking equipment, fans and heaters. We recommend a generator be rented for all tented receptions (Ex, Whisper Watt).

Tenting:

Tenting is permitted for wedding receptions only in dedicated areas on the Venue grounds. Dedicated areas include the Stone Patio, East and West Lawns at Cylburn Arboretum and the North Lawn at the Howard P. Rawlings Conservatory. Tents are not permitted in the Formal Gardens at either location.

- Framed tents only are permitted on the Stone Patio at Cylburn
- Tent stakes must remain at least 15’ away from all garden beds and trees
- Tents may be installed for up to a maximum of 4 days (2 days is recommended) depending on availability. Installation and strike must be scheduled ahead of time with the Rental Team. Early installation should not include dance floors, stages, or delivery of furniture. It may include lighting.
- Should two or more weddings be hosting an outdoor tented reception in one weekend, the same tent must be used. The Rental Team will assist in coordinating with multiple clients.
- In most cases, a generator will also be required to power the tent lighting, temperature control, cooking, and sound equipment.
**Tenting continued...**

- Tents are not provided by the Venue and must be rented through an outside vendor. Approval of the tent rental company is required prior to signing a contract. For a list of pre-approved vendors, please coordinate with the Rental Team.
- Vehicles are not permitted on the grass or blue stone pathways. In certain instances where a vehicle must be used in these areas to deliver equipment, landscape mats are required as is pre-approval and planning with the Rental Team. Some areas are inaccessible by vehicle.

**Rain Plan:**

In the event that you are planning to host an outdoor wedding ceremony or reception, it is important to coordinate a rain plan with the Rental Team as well as your event coordinator and any affected vendors. In the event that weather makes an outdoor ceremony or wedding prohibitive, the time permitted outdoors may be applied to an indoor location depending on availability. If additional time is needed indoors, a charge may be applied at the indoor rate. The Venue does not guarantee indoor space availability and is not responsible for weather related incidents. We encourage you to consider your rain plan before committing to an outdoor space.

**Privacy & Security:**

Cylburn Arboretum and the Howard P. Rawlings Conservatory are public facilities, therefore the gardens and grounds are open to the public during regular hours of operation. While most garden visitors are respectful of private events, the Venue is not responsible for the behavior of garden visitors or for the guest list. Staff will be on hand during your event to manage the property and will strategically place signs to help define your rental space.

Similarly, the Venue does not provide on-site security officers. However, the Venue reserves the right to require the client to provide additional security depending on the size or type of event. The Venue also reserves the right to call proper legal authorities if anyone is found possessing illegal substances, weapons or trespassing in any areas deemed “off limits” to the public on Venue grounds.

For more information, visit: https://bcrp.baltimorecity.gov/about-rec-parks/rentals
Pets and Other Animals:

Service animals and pets are permitted on the grounds as long as they are on leash. With prior approval from the Rental Team, pets may also be permitted indoors however, they must follow all guidelines below:

- Caretaker (separate from the client) identified prior to arrival to care for the animal, clean-up messes and spills.
- Pet must remain on leash.
- Arrangements must be made ahead of time to return the pet 'home' following the ceremony or photos. Pets may not be left in your vehicle(s) during the event.
- Pets are not permitted in the garden beds.

Other animals such as horse(s) (and carriage), Zoo Ambassadors, or educational animal groups must provide an animal handlers license or permit and certificate of liability insurance at least 60 days prior to the event.

Ticketed Events:

Ticketed events are permitted for non-profit events only and are at the discretion of the venue. All ticketed events (fundraising events, galas, breakfasts, etc.) must sell their tickets in advance of the event. No tickets may be sold at the door. Any renter found selling tickets at the door will be asked to leave the facility immediately and will lose their deposit and all fees in their entirety. Horticultural events may request an exception under limited circumstances.

Entertainment:

Amplified music, through a DJ or Live Band, is permitted both indoors and outdoors at the Venue. Due to Baltimore City Noise restrictions, music played outdoors cannot exceed reasonable levels in volume, and must end by 9:00pm Tuesdays - Thursdays and Sundays; by 11pm Fridays and Saturdays. The Venue will evaluate on a case-by-case basis whether music at a particular event may be extended through the use of non-amplified sound.

For more information, visit: https://bcrp.baltimorecity.gov/about-rec-parks/rentals
Preferred Caterers:

As part of our commitment to providing you the highest level of service and guest satisfaction, we have established a Preferred Catering List. The caterers on the list are not only experienced in working at the Venue, they have been tried by clients before you and offer diverse food options as well as great service.

If you wish to use a caterer not on the Preferred Catering list, your selected caterer must complete the Approved Caterers Application process at least 6 months prior to your event. Among other things, the application requires a Catering License, Certificate of Liability Insurance, letters of recommendation, and a walk-through with a Venue staff person. Upon approval, a $500 outside catering fee will be added to your invoice. Complete catering guidelines are available upon request.

Dessert:

Desserts do not have to come from the preferred caterer. If you are ordering desserts through another vendor, we ask that you please inform your caterer in the event that they will be cutting, plating, decorating, or staging the desserts once they are delivered. All desserts must be delivered during the rental period.

Alcohol Policy:

All alcoholic beverages must be poured by a licensed and insured caterer or certified and insured bartender.

Not permitted:
- Self or Cabaret Service (ie, open bottle placement on tables)
- Cash Bars
- Storage of alcohol before or after your rental period

If the approved caterer or bartender agrees to accept liability on your behalf, you may opt to provide your own alcohol. All containers and bottles must be sealed as originally sold. Alcohol must be delivered and removed during your rental period. Please be sure to discuss with your caterer or bartender any need for glassware, garnish, ice and coolers or tubs.

Please note, the Venue retains the right to order removal of or denial of alcoholic beverages to any person who appears intoxicated. Failure to comply may result in the immediate closure of the site and expulsion of the renter, caterer, and any other vendors and guests, as well as forfeiture of the security deposit paid by the renter and, if deemed applicable, the renter being billed for additional damages.

For more information, visit:
https://bcrp.baltimorecity.gov/about-rec-parks/rentals

Waste Policy:

In line with the Baltimore City Recreation and Parks mission to conserve public lands, we encourage clients to think about ways to lessen their impact on the environment. Choosing reusable items such as tablecloths, napkins, glassware, flatware, and utensils is one way to do that. Alternatively, you may opt to use compostable or recyclable products to. In accordance with City and State-wide bans, Styrofoam is no longer permitted.

At the end of your event, all trash, debris, and decor must be properly removed both indoors and outdoors. The Venue provides a trash and recycling dumpster at both properties. Excessive trash and compostable items must be removed from the property by the appropriate vendor or client.

Any trash, debris, or decor left behind for the Venue to remove will incur an excessive cleaning fee. Additional charges and cleaning fees will be deducted from your security deposit or billed as needed.
